Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Supplemental to the Information Disclosure Statement filed on May 15, 2006, Applicant is enclosing the ES 1033485U reference listed on the enclosed Form PTO-1449. This document was cited in the International Search Report (ISR) submitted with the May 15, 2006 Information Disclosure Statement. The remaining references in the ISR have previously been submitted with Applicant's May 15, 2006 Information Disclosure Statement.

ES 1033485 U was cited in the ISR as a category "A" document that defines the general state of the art and not considered of particular relevance. A translation of claim 1 of ES 1033485 U is also submitted herewith. The massage machine of ES 1033485 U

situates the motor in the base to serve as a simple vibratory platform to massage the feet.

Because the instant Supplemental IDS is being filed before the issuance of a first Office Action on the merits, we believe that no official fee is required in connection with the same. However, the Commissioner is hereby authorized to charge Deposit Account No. 03-2468 for any additional fees or credit any overpayment in connection with this IDS. It is respectfully requested that the foregoing Supplemental Information Disclosure Statement be incorporated into the official file of the present patent application.

Respectfully submitted,

Pere ESCRIBA NOGUES
